Dear Parents/Caregivers,

Rugby Club – Wednesday 21st December 2016

On the first day of the Christmas holidays, **Wednesday 21st December 2016**, I'm really excited to be able to offer a one day tag rugby camp which will be held at Holy Trinity C of E Primary School, in collaboration with children's rugby specialist, Scrummys (www.scrummys.co.uk). This camp is exclusively for the pupils of Holy Trinity C of E Primary School and Lowbrook Academy and is for children of all abilities from **Year 3 to Year 6**. The camp will be a wonderful opportunity for the children to receive quality coaching and develop their rugby skills, whilst having fun. The course will place a strong focus on the core values of rugby including teamwork, respect and fair play. The day will culminate in a tournament and an award ceremony. The children will need to bring wet weather gear as I plan to be outside, however, we will have access to the hall should we need it.

Cost: £30

(cash or cheque made payable to Mr M S R Gosling)

Time: 09:00 – 15:30 (option to drop children from 08:30)

Venue: Holy Trinity C of E Primary School, School Lane, Cookham SL6 9QJ

If you are interested in your child taking part, please return the slip below along with payment, to the school office by **Wednesday 7th December**. For more information contact Mr Gosling at Holy Trinity C of E Primary School, Cookham.

Dear Parent/Caregiver,

Book Week 2017

Following the success of Science Week at the end of last term, we are now busily planning Book Week which falls at the beginning of March and coincides with World Book Day on 2nd March. We hope to organise a number of interesting events for the children all designed to promote books and open up new reading experiences for them.

During Science Week the children's learning was enhanced when a number of visiting speakers, some of whom were parents, came in and spoke to pupils about a whole host of science related topics. We were enormously grateful for the support that some of you were able to give in this matter and I write to you today in the hope that you may be able to help us during Book Week.

Do you work in book manufacturing or publishing? Have you written a book or do you have contact details for an author? Are you able to put us in touch with an illustrator or do you work as a journalist? We are keen to hear from you if you are able to help in any way.

If you have any ideas you would be willing to put to us, please contact the school office (on 01628 671355 or lowbrook@lowbrookacademy.co.uk) or speak to me directly; I would love to hear from you.

Yours sincerely

Bianca Iasi
