Parking in the Local Community

We are still receiving calls and complaints from neighbouring residents regarding Lowbrook parents parking in and around Bedford Drive, Loosen Drive, The Fairway and Fairlea. It has come to our attention that some parents are consistently parking inconsiderately, obstructing the private driveways of residents, being abusive to residents, parking cars over white lines and parking so far over the pavement that it forces parents walking with their children to walk in the road. We cannot emphasise enough that swearing and being non-compliant to members of our community is not an acceptable practice from parents of this school.

We actively encourage walking, cycling or scooting to school and we have a dedicated area to lock up your bikes and scooters during the day and a path with a zebra crossing for safe access to the school. We are aware that some parents / caregivers have no choice but to drive to school but we would like to reiterate the importance of respectful and considerate parking within our community.
